Join us and engage older people

COTA NEW SOUTH WALES

Empowering older people

Council on the Ageing NSW (COTA NSW) works to empower and engage people 50 years and over, a group that now comprises 33% of the NSW population. We work with key decision makers in government, as well as policy makers, service providers and the media.

We are unique among non-government organisations. We engage very closely with older people, hosting a series of Consumer Reference Groups in metropolitan, rural and regional NSW. This research is augmented by our COTA NSW Consumer Surveys and gives us a strong evidence base for our policy recommendations and advocacy work.

Benefits of organisational membership

If you operate an organisation of or for seniors, you will gain unique access to our research into older consumers' attitudes, behaviours and priorities.

Join COTA NSW and help us make a positive difference to the lives of older people. As an organisational member of you will receive:

- an e-newsletter targeted to organisational members
- access to our reports, research and submissions, including our comprehensive 50+ Report
- free access, on request, to tabulated results of COTA NSW Consumer Surveys
- access, for a fee, to tailored analysis of COTA NSW Consumer Survey results
- invitations and free admission to COTA NSW Forums
- the right to vote and nominate candidates as a director of COTA NSW.
