

COTA NSW CONSUMER
REFERENCE GROUPS

What matters to you?

By 2030 one in three people in NSW will be over 50. This should make issues for older people mainstream.

COTA NSW wants to hear about the issues that matter to you most in your own community so we can ensure that the **voices of older people** are valued and heard, and their concerns are represented to the government and decision makers.

Members of our policy team will be visiting your community on **8 May 2018**, and we invite you to join us for an informal discussion about a range of issues affecting older people in your community including:

Health and well-being

Working life and retirement

Inclusive communities

Housing choices and affordability

Getting around in your community
